Astronomy

The main element of education at the Doctoral School of Exact and Natural Sciences (SDNSP) is the implementation of an individual PhD project in one of the scientific disciplines (Astronomy, Computer Science, Mathematics, Biological Sciences, Chemical Sciences, Physical Sciences, Earth and Environmental Sciences) that are covered by the school, under supervision of a faculty member chosen by the doctoral student.

Education at SDNSP includes courses in the form of specialization and monographic lectures, workshops, seminars, two-day symposiums as well as courses and trainings to improve the skills of doctoral students in teaching.

The graduate of the Doctoral School of Exact and Natural Sciences has a highly specialized education acquired under the supervision of leading scientists and is prepared to undertake independent scientific and teaching activities at universities and research institutes. In addition, the graduate will have gained extensive knowledge beyond the discipline in which he/she prepared his doctoral dissertation, as well as skills in conducting scientific and teaching activities.

The school recruits in the following disciplines:

- Astronomy
- Mathematics
- Computer Science
- Biological Sciences
- Chemical Sciences
- Physical Sciences
- Earth and Environmental Sciences

Remember to set priorities for your payments: [Set priorities](#)

On this page you can view a summary of financial operations on your IRK account. If the system has been configured to support payments in more than one currencies, your payments will be divided into separate tables in regard to these currencies. Your account deposits have positive value in the **Amount** column, while charges have a negative value. In the **Status** column the current status of your application fee is displayed. If the application has not been paid on time or a refund has been made, the payment will be displayed with grey background and its amount will not be calculated into the sum that is displayed above the table.

In the **Payment deadline** column there is a date until which you should make the payment at the latest, and below - in brackets - there is a date until which the money must be transferred to the University. Please make the payment in advance. If a recruitment payment isn't settled on time (the date in brackets), the application will be considered only on candidate's request, provided that the payment was made no later than on the day after the deadline for registration for given studies. Submitting such a request is possible within 3 days after announcement of the results.
