Q: In the "Enrollment applications", there is a section at the very bottom says "Documents and further steps" and there are two documents, what should I do with them? and if I sign them, where am I able to upload them? Thank you.

A: Those documents (Application for admission to Doctoral School, Declaration concerning undertaking education in the Doctoral School) will be required only after admission of a candidate.

## Q: What other options are there if one cannot secure a supervisor?

A: You are required to find a supervisor. In order to do so candidates for the Doctoral Schools are encouraged to search through the database of supervisors available here [LINK]. The database contains the list of University of Warsaw researchers, who are willing to perform the function of the dissertation supervisor. The candidates are also encouraged to consult the websites of the University of Warsaw faculties and academic units for the information on academic teachers conducting their research.

Please keep in mind that Recruitment Coordinator, Head of the qualifying team or its secretary may ask you to do so. Therefore you may be required to do so only on demand. Such translation doesn't have to be a certified translation. Yes, translations shall be attached in the same pdf file as the originals.
