WELCOME
POINT

Dear Student,

Welcome Point would like to help you at the very beginning of your stay in Warsaw. That is why we invite all new international doctoral students for a special online welcome meeting hosted by the Welcome Point team.

The meeting will take place on 13th of October at 3 pm on Zoom.

At the meeting you will learn the most important things about the University, its structure and basic rules. Our team will introduce Welcome Point and the support you might receive from our office. It will also be a great opportunity to meet other international doctoral students from different Doctoral Schools.

Participation in the meeting is free of charge upon registration through [this online form](#).

We hope that by participating in the event organized by the Welcome Point you will find it easier to start the new academic year at University of Warsaw. If you have any questions, please contact our staff at: welcome@uw.edu.pl

We can't wait to see you!
